

Woodward Township Supervisors Workshop  
August 7, 2024

The following were in attendance: Jeff Stroehmann, Joe Bertin, Wayne Robinson, Pamela Musser and 1 guest.

The Supervisors workshop started with a second interview of an individual for the Zoning Officer position.

The Lovell Heavy Use Area & Manure Storage Project was discussed along with the letter that was sent from Bassett Engineering.

The Billboard at 7582 U.S. Route 220, was then discussed. Mr. Stroehmann has a meeting to speak with David Hubbard, Chairman of the Zoning Hearing Board.

The Bennett property was then discussed. Mr. Stroehmann is working on the letter that tells the property owners what needs to be completed.

The Conditional Use for Gough Enterprises, LLC was then discussed. Will wait to hear from our Solicitor regarding the next step in the process.

The Back up battery for the phone system was then discussed. The Secretary will get one on order.

The computers for the office were then discussed. It was stated to wait until 2025 year to purchase.

The Solicitor for conflict matters was then discussed. Mr. Stroehmann has been in contact with an Attorney to get rates.

The run off water problem on Reynolds Road was then discussed. It was stated that this is a civil matter and that since it is a private road we have no say in how that road is maintained.

Respectfully Submitted,

Secretary/Treasurer
